Military Mail

Miss Trudl FRIEDRICH  
Nuremberg 5  
Tirchlerstr. 4, I

.... I have received all of your mail. In the meantime you will probably have received my letter, too. - We'll come again Saturday at 1700 hours; everything else we will then talk about. You will probably be mad again because I haven't written so long. Please get me 10 packages light-blue color, and 3 packages black; I need the color to dye the sweaters for the camp. In the meantime best greetings and kisses from your worried husband

/s/ Franz

I also received a bill from the opposing counsel - RM 526.00 !
