Fall syllabus will be available 15 August 2007.

A note about the labs.

ASTRONOMY are self-paced. you can do them anywhere anytime. observations are done at the observatory. you schedule the time M-F nights. more about the labs when you start class. you must be available for lecture on campus at the assigned time.

PHYSICS are self-paced and self assigned but must be done on campus in the Physics lab. you determine the time and day based on the lab schedule. you must be available for the lecture on campus at the assigned time.

HONORS there are no labs.

Have a great summer. see you in August.
